**Accuride**<sup>®</sup>  
*Always Moving Forward*

**E.B. BRADLEY CO.**  
*Specialty Hardware & Surfacing Products*

*"For more than four decades, Accuride International and E.B. Bradley Company have shared the common goal of providing the marketplace with the finest cabinet hardware available. As the global leader in ball bearing slides, Accuride devotes its engineering resources to maintaining our reputation as the consistent choice of demanding architects and designers. E.B. Bradley Company insures its stellar reputation through its local presence, experienced sales force, and dependable stocking of Accuride products.*

*Both our companies remain committed to standing shoulder to shoulder to help cabinetmakers realize their creative vision".*

- *Scott Jordan, CEO and President, Accuride International Inc.*

## 3832 Family

- Up to 100-lb. load rating
- Full extension
- Drawers up to 16" wide
- Lever disconnect

*This collection represents a variety of solutions that expand on the basic model with features such as touch release, soft-close, detent-out, and more. This enables this group of products to meet the needs of both residential and commercial applications.*

## 7957

- Up to 350-lb. load rating
- Full extension
- Drawers up to 42" wide
- Bridged ball retainer
- Lever disconnect

*Multiple mounting options (side, flat, bracket) provide a versatile solution for wide and heavy drawers. Ball retainer design resists migration, ensuring smooth movement. This product is a good choice for high-use applications such as store fixtures, medical casework, or residential kitchens.*
