Wetwall™

A WILSONART COMPANY

It’s kind of like drywall. Except it’s Wetwall.

The life-proof, yuk-proof, yawn-proof, waterproof wall panel system that inspires remodelers to replace shower tile for good.

Why Wetwall?

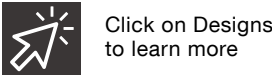

- Patented Waterproof system
- Looks like natural materials
- Scratch & Scuff Resistant
- Installs Seamlessly
- Antimicrobial Protection
- No Grout!

KBIS 2025 Breaks Records in Las Vegas

KBIS 2025 was held at the Las Vegas Convention Center February 25th through the 27th. Alongside the International Builders Show (IBS), this was one for record books!

Every inch of the convention center was filled from the far corner of the South Hall to the westernmost tip of the West Hall. There were even displays spilling into the parking lot this year! Over 1.2 Million square feet of the best the kitchen and bath industry has to offer. Those that attended will agree, spirits were high and enthusiasm was abundant across the venue. If the attendance (124,000 attendees) and excitement at KBIS/IBS 2025 is any sign, this year is shaping up to be a game changer!

Of the 2,500 exhibitors, many of our favorite manufacturers contributed to the buzz with top notch displays and previews of their latest and greatest products. In attendance were:

- Wilsonart
- Cleaf
- Blum
- Salice
- DTC Hardware
- Sugatsune
- Rev-A-Shelf
- Kesseböhmer
- Berenson Hardware
- Scilm
- Federal Brace

NEW Traceless Designs: Ultra-Matte. Ultra-Luxe

Traceless™ is an ultra-calm, velvet texture that invites touch and is engineered to perform. Stunning looks and colors that dance with light and shadows. A sustainable approach that creates peace of mind and has earned environmental accolades.

Soft Touch
The cloud-like surface invites connection and interaction.

Repairable
Easily buff out scratches and scuffs with a melamine sponge.

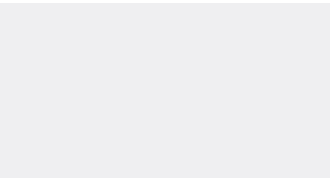

Fingerprint-Resistant
Does not retain fingerprints and is easy to clean.
